PERSONAL PROFILE

I am an experienced professional teacher who is highly creative, adaptable and bright individual. I have excellent analytical ideas in terms of problem solving in varying disciplines using relevant theories. My main objective is to climb higher in academia to make positive and effective contributions to the achievement of institutional vision.

I have a proven track record of fulfilling performance expectations, establishing and maintaining good interpersonal relationship to remain focused. My malleable character enables me adapt easily to new situations within a short period and often willing to learn new things.

Also, I am an energetic and ambitious individual with the ability to develop a mature and responsible approach to any tasks assigned. I have great intrinsic motivation to train others as well.

I aspire to be a professor in Educational Psychology.
